Door Prizes!

You are invited to attend an **information session** hosted by the AVRSB Race Relations, Cross Cultural Understanding and Human Rights (RCH) Division. The purpose of this session is to learn more about our RCH Division and the Student Support Worker Program.

During the evening, we will highlight what programs we offer to students and families as well as how we collaborate to support community.

This is also an opportunity for us to check-in with you and meet parents/guardians, students, community members and school staff.

In partnership with the Delmore "Buddy" Daye Learning Institute (DBDLI) and the Nova Scotia Apprenticeship Agency.

A great opportunity for learning, networking and making connections!

See you there!
